Kia ora,

We are so proud of all our senior students who have already passed their levels or who are working hard to complete them. Many students are still coming in for mahi tahi, courses and exams. It's been the third hard year in a row with Covid interrupting learning, but our seniors are showing real resilience.

It's great to also see lots of juniors stepping up and showing leadership, helping out their teachers and continuing to learn. It's really important that they make the most of their last weeks.

Thanks to all of you who have been part of putting in ideas for our next three year plan to make PC even more awesome. We will work on that and get it back out to you early next year. Have a wonderful summer with whānau. I hope you all get time to really relax and enjoy some sunshine.

We look forward to seeing many of you at sports, junior and senior prizegivings where we will celebrate our students' wonderful achievements in 2022.

Kia pai tō Raumati!
