

SENIOR LEADERSHIP TEAM MESSAGE

Tēna Koutou Katoa. Week 7, Term 3 already! Wow, this year is going by so quickly.

With only a short time left with our Year 11-13 students, there's a lot of mahi to do! It won't be long before our seniors knuckle down and get into their School Exams. These start on Wednesday 14th September and run until Friday 16th September. During this time our Year 11 students will also sit their Algebra exam. They are an important event on the school calendar and we hope to see some awesome results. Kia kaha! Our application process for Head Students and Prefects for 2023 also opened this week and we are excited to see a wide range of student applicants. Please support your taitamariki when they are writing their applications.

Our student councils are continuing to work hard on their initiatives such as breakfast club and the P.E Shed. These are working well with lots of students enjoying a hot breakfast on Tuesdays and Thursdays, including bacon, eggs and pancakes. Students also love the availability of sporting equipment during lunch breaks. Ka mau te wehi!

A huge congratulations to all those who took part in Whiti Te Ra Fire. A showcase put together by Mr Rob Laurent, our music teacher on Friday 2nd September. The audience was blown away by some of our most accomplished taura as well as a couple of staff band numbers. It was great to see so many people involved.

With only four weeks to go of Term 3, let's prioritise learning and credits for seniors finishing the term well.
