Principal's Message

Nau mai, haere mai, welcome back to PC 2023! We have had a great start to the year with 128 Year 9s and over 630 students on roll. We are particularly pleased to welcome all the new students and staff who have joined our PC whānau. It was great to meet up with Year 9 whānau at the noho marae and connect with so many of you on goal setting day.

We have a great range of courses, options and subjects available this year, with nine different languages being taught in the school. We are also working with local primary schools so that students can continue to learn their community languages right through their schooling journey.

Our prefects have started strongly, supporting the noho and setting up Academic, Sports, Cultural and Service councils. Year 12 leaders are part of a STARS programme for the year growing their leadership skills and all students are welcome to join the councils. We are looking forward to celebrating Colours Day together at the end of term.

Thank you for all your support with getting students into school, attending regularly and wearing their uniform. Being here and ready to learn is that first step to success and without you it wouldn't happen. There is heaps of PC pride out there and students have made an excellent start on their learning.

It was great to work with the PC parents groups last year and create a new strategic plan for how to improve Porirua College 2023-25. We really look forward to working with you again this year and welcoming lots of new families to discuss how we can keep growing and improving our school

Ngā mihi mahana,
Ragne Maxwell
Principal/Tumuaki

Onsite Visits During the School Day

Any adults coming on site during the school day need to sign in at the school office. Students who come in after Learning Coach has finished in the morning should also sign in by letting the Receptionist know they have arrived. For student safety, please do not drive around the school ring road during the school day, just park out front. The front of school is very busy at the end of the day and it is a good idea to pick up students from the road down below.

Voice

Sherrie Wharewaka-Paulo (SWH)
Social Worker

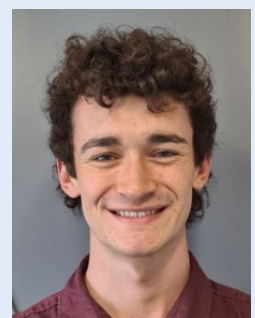

Adam Bain (ABA)
Social Worker

Hera Hune (HHU)
Commis Chef

Henry Lockhart (HLO)
Student Teacher

When a Student is Absent

We need to know about all absences on the day, to be sure all our students are safe.

If absence occurs, caregivers must inform the college by one of these methods:

- Ringing the absence line on 2375465—after the tone record the name of the student, their Year Level, the reason for their absence and your name.
- Sending a text to 027 2375465
- Coming in to the office
- Writing a letter explaining the reason for the students absence that they bring with them upon their return to school
- Sending an email to poriruacollege@pen.net.nz
