and able to use this quality in the service of their communities.

A
Po

Kia ora koutou katoa,

It is great that we are back at Level 1 and
there are no cases of Covid-19 in New
Zealand! We are really looking forward to
winter sports competitions starting back up,
along with school trips and events. Teachers
are busy planning exciting Ko te Hapori
courses for students for next semester.

Students are back at school working hard to
catch up with their learning. Thank you to
everyone who was part of goal setting to
make plans for continuing the independent
learning that happened for most students
during lockdown. Teachers have commented
that students were more settled and work
focused on their return. If your child is having
any problems with settling back into school
or catching up with work, please let us know.
You can talk to their Learning Coach, Pastoral
Leader or one of the SLT team.

NCEA Changes 2020

NCEA has been made a bit easier for the students just
